Members will score each application based upon the weights specified on the application form for Sections 1 and 2, for a total of 40 percent of the score. At the same time, the Chairman will mail unattributed copies (to ensure blind review) of the submitted essays to the essay reviewers, who have been selected by, and who may consist of, members of the Scholarship Committee. The reviewers, without knowledge of the authors' names, shall score the essays for a total of 60 percent of the score. Both the application form reviewers and the essay reviewers will report their scores to the Scholarship Committee Chairman, who will compile the scores for each applicant and those scores will be verified by the Association's Administrative Consultant.
5. The Scholarship Committee, by majority vote, will make its selection of the recipients and will report the names of those selected to the Administrative Consultant by April 20, 2018. The Scholarship Committee Chairman will also report the recipients' names to the President and Treasurer of the Wyoming Water Association. A member or members of the Scholarship Committee will offer the Committee's consolidated constructive critique to applicants who desire and request a confidential review of their essays and application forms.
6. The Treasurer of the Association will provide the award check to each recipient without delay when notified by the recipient in writing that the recipient has registered for the appropriate semester at their selected college or vocational school. Notification is best accomplished by submittal of a coursework registration form, receipt form for registration fees or copy of an official communication between the student and the educational institution. Payment is typically made by the end of September.
7. Questions concerning these instructions may be addressed to the WWA's Administrative Consultant via phone or e-mail at the phone number and e-mail address listed above. **All eligible students who are qualified by virtue of their parents or grandparents' affiliation with the WWA are strongly encouraged to apply.
